

# DIY Paper Easter Egg

Materials: Homemade paper, scissors, pencil, template, homemade glue + twine

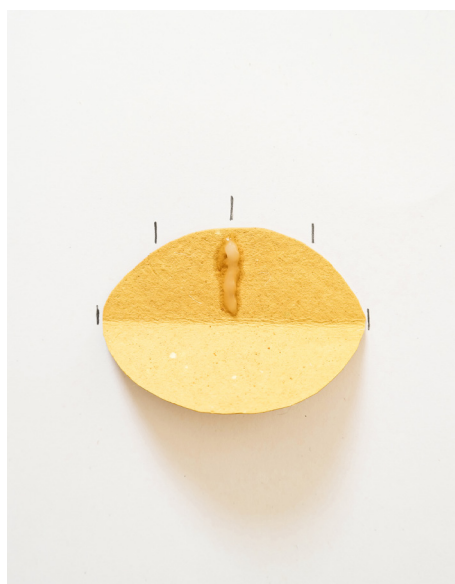

Step 1. Trace template onto paper (32 eggs)

Step 2. Cut out templates (32 eggs)

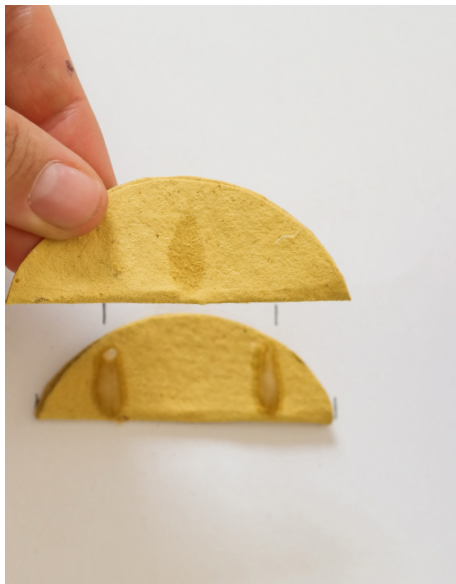

Step 3. Fold all eggs in half

Step 4. Glue the inside of each egg together with one centre line

Step 5. Glue each egg to another egg with two evenly spaced lines

Step 6. Repeat until all stacked up on top of each other

Step 7. Glue twine loop in middle

Step 8. Put weight on top and wait until glue is dry

Step 9. Expand bundle and glue 2 remaining sides together to make an egg.

Step 10. Hang on tree
